À mon collègue O. de Bastard

Le bel Antinoüs poursuivait un jour de ses sarcasmes une jolie fille d'Héraclée, qui lui avait préféré un soldat marqué au visage d'une superbe balafre :

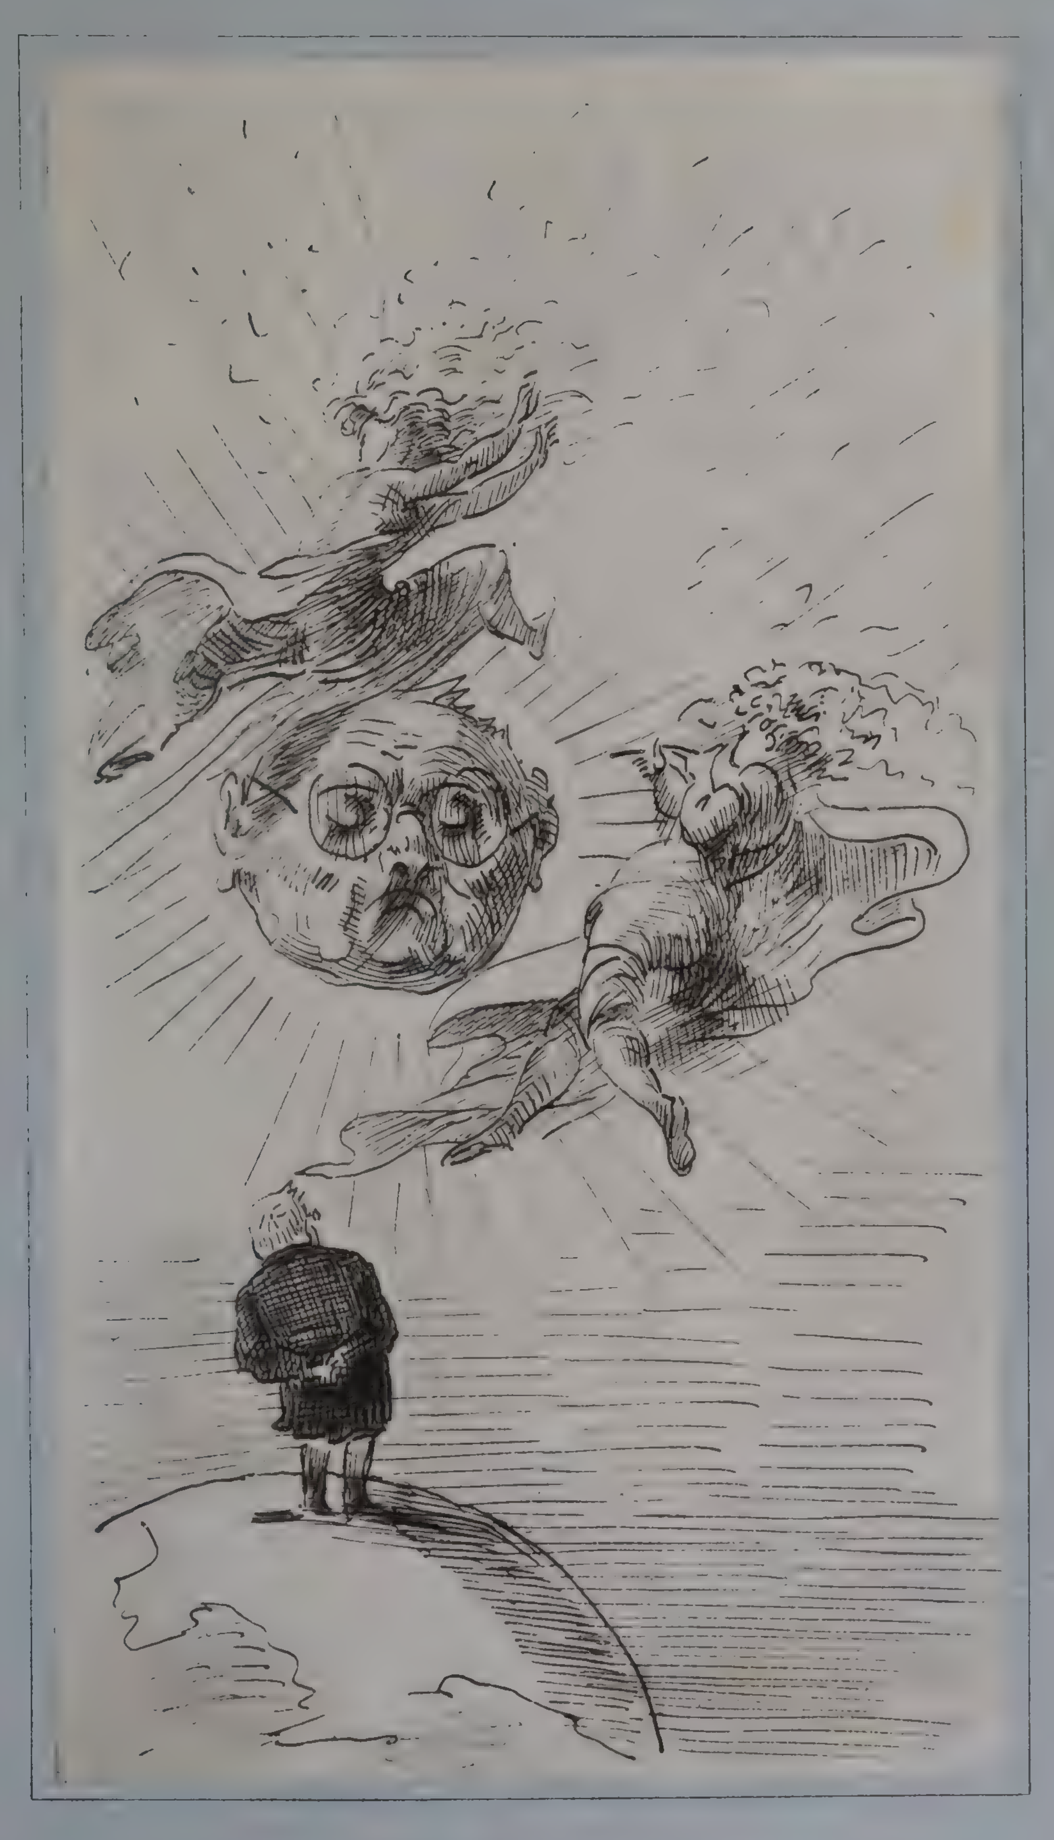

– « plaisante fille, qui se contente d'un amant qu'on ne peut regarder que de profil ! »

– « Tu n'es qu'un bellâtre et un poltron – répondit-elle – Clinias porte sur sa figure, d'un côté la bravoure et de l'autre la beauté. »
